

Streamlining the IN & OUT while using the Web Bundy

From 7 Steps	To 2 Steps
<div>1. Click Web Bundy</div> <div>2. Enter PIN Code (same for every employee 0000)</div> <div>3. Click Submit Button</div> <div>4. Enter Employee No.</div> <div>5. Click Search</div> <div>6. Click Time IN/OUT</div> <div>7. Click Go to Login Page</div>	<div>1. Click Web Bundy</div> <div>2. Enter Employee PIN Code (unique)</div> <div>3. Click Submit Button</div> <div>4. Enter Employee No.</div> <div>5. Click Search</div> <div>6. Click Time IN/OUT</div> <div>7. Click Go to Login Page</div>
<div>Step 1</div> <div></div>	<div>Two Steps</div> <div>Steps 1 to 5 can be streamlined or normalized to one step, refer to Step A & Step 6 to 7, refer to Step B</div> <div><div>1. Enter EMPLOYEE PIN</div><div>2. Click Time IN/OUT</div></div>
<div>Step 2</div> <div></div>	<div>Step A – This will be the Web Bundy Home Page</div> <div></div>
<div>Step 3</div> <div></div>	<div>Change Log (Elaboration):</div> <div><div>1. Consolidate step 1-5 to Step A w/ new FHG logo</div><div>2. Camera shall be enabled by default on the new Web Bundy home page (Step A)</div><div>3. Instead of Employee No., EMPLOYEE PIN shall be used to Time IN/OUT</div><div>4. Consolidate step 6-7 w/ Step B</div><div>5. EMPLOYEE PIN is unique or distinct to each employee that is mapped to Employee Number, function as password, and therefore can be changed for security reason, must show as asterisk or hidden and at least eight-digit numeric code.</div><div>6. Time IN/OUT buttons are also enabled on this page (Step A) – once clicked, will capture image infront of the camera.</div></div>
<div>Step 4</div> <div></div>	
<div>Step 5</div> <div></div>	<div>Step B</div> <div></div>
<div>Step 6</div> <div></div>	<div>Change Log (Elaboration):</div> <div>After Time IN/OUT, will show the emp ID & employee name for 1 second and will automatically redirect to home screen (Step A)</div>
<div>Step 7</div> <div></div>	<div></div> <div></div>
